# *Elegante Italiano – Dal 1990*

Enoteca Turi finds its roots in Putney, where Mr. and Mrs Turi first launched the restaurant. Over the course of three decades, Enoteca Turi has now become one of the most loved Italian restaurants in London.

Since moving over to Belgravia, Enoteca Turi has established itself as a firm fixture on the Chelsea and Belgravia dining scene with an award winning wine list, offering regionally inspired cuisine, using traditional and seasonal ingredients.

The restaurant has grown organically, developing its own style of food, a notable Italian wine cellar and, thanks to the dedicated and talented team, its convivial ambience.

# *Private Dining*

For over 30 years, we have been celebrating life's special moments with our guests from christenings, graduations, birthdays and weddings. We also host and are able to cater to different corporate events.

With our expertise in Italian food and wine, we also offer guided dinners for groups on the Italian regions, wine producers, wine regions and grape varieties.

All reservations are served by a dedicated team of waiters, and chefs, that will craft your event specially for you.

There is no room hire in our Wine Room, however minimum spend applies depending on the day, time and seasonality.

## *The Wine Room*

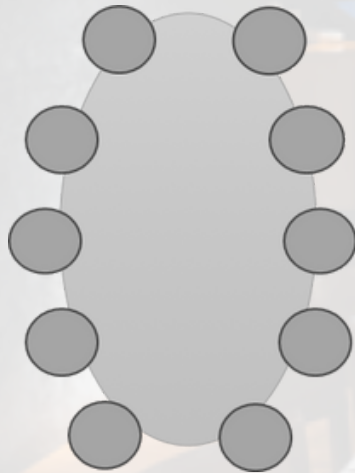

Located in the downstairs wine cellar, walls lined with Italian wines from the 400+ bottle list, two stunning fireplaces and mirrors to give added depth. The ceiling is acoustic, and at one end is the temperature controlled wine cellar storing old vintages, magnums and double magnums.

The long oval table in the centre seats maximum 28 guests and can also accommodate smaller groups with bespoke seating arrangements.

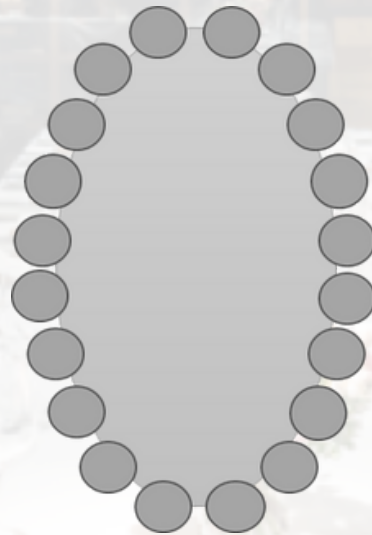

## *Setting the Stage*

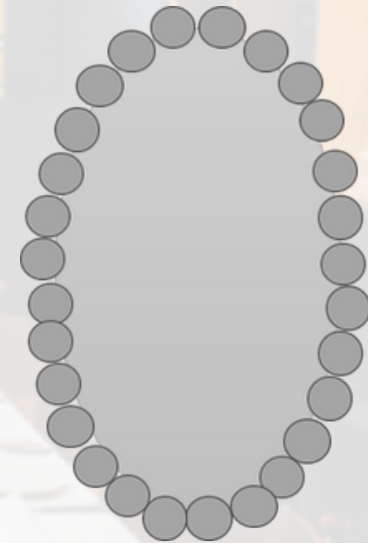

The size, layout, tablewares can be altered accordingly to your party size. We have our dedicated florist to create your bespoke flower arrangements. A dedicated music system ensures you can set the mood for celebrating your special event.

## *Our Food*

Set party menus have a choice of regional Italian dishes to accommodate most dietary requirements. We are able to create bespoke menus to suit any event.

With a vast knowledge of regional Italian cuisine, our Head Chef Giampiero Giuliani, heads up a dynamic and forward-thinking kitchen team delivering the very best seasonal produce across our private dining menus.

The menus start at £75pp for three courses and £90pp for four courses. We also offer welcome canapes and a cheese course for an additional fee.

*Menus tend to change seasonally to bring you the best quality of Italian products and are published ahead.*

## *Our Wine*

The Enoteca Turi cellar has been carefully built up over the years to recognise the importance of serving wine at its perfect drinking window.

To do this, we buy fine wines on release and age them in our temperature-controlled cellar. We are delighted to continue offering our guests the experience of drinking great wines at a fair price, an important part of the Enoteca Turi ethos.

Our dedicated and experienced Sommelier Team are always happy to assist you in choosing the wine that would suit you and pair best with your event.
